THE FARM SYSTEM

The Tiger farm system came within a half-game of having a third pennant winner in as many years in 1970, when the Montgomery Rebels lost the Southern League flag on the next-to-last day of the season to a team that played two fewer games than the Tiger farm club.

Another second-place finisher was Lakeland of the Florida State League, under rookie pilot Dick Tracewski, while Batavia ran third in the New York-Penn under Joe Lewis, another first-year skipper.

Fifth place was the fate of Bristol in the all-rookie Appalachian League, while Rocky Mount finished fifth and third in the Carolina League's split season.

Military obligations and injuries precipitated the slide of Toledo, under Frank Carswell, into eighth place in the International League on the last day of the season.

Mike Roarke and Len Okrie, Tiger coaches in 1970, have been added to the minor league managerial staff for 1971. Roarke makes his debut as a manager at Toledo, while Okrie, minor league pilot 1967-69, takes the reins at Batavia.

Carswell, dean of Detroit minor league managers, goes back to Montgomery, where he was in 1968-69; Tracewski moves up to Rocky Mount; Lewis transfers to Bristol and Frank Overmire, who was at Montgomery, returns to Lakeland.

SPRING TRAINING

The Tigers have trained at Lakeland since 1934, first at Henley Field and since 1966 at Marchant Stadium, a mile north. The all-concrete grandstand at Marchant Stadium was built by the City of Lakeland at a cost of \$500,000 and is situated on a 12-acre tract adjacent to Tigertown, which has been the Tigers' minor league training site since 1953.

A new addition to the Tigertown complex is a \$400,000 three-story fireproof dormitory to house 200 minor league players and Tigertown officials. The last word in construction with air conditioning, controlled heating, carpeted rooms and lounges on each floor, the dormitory was financed by the Tigers and the City of Lakeland, with the city to be reimbursed for its contributions within 10 years.

The Marchant Stadium grandstand seats 4,025, including 400 box seats. The clubhouse, costing \$48,000, accommodates up to 50 players in each club section with added quarters for umpires.

TIGER STADIUM

The capacity of Tiger Stadium is 54,220 seats. Official figures list 10,335 box seats; 21,172 reserved; 11,502 unreserved grandstand; and 11,211 bleacher seats.

Baseball has been played at the site since 1900, a year before the American League was born with the Tigers as a charter member. Known as Bennett Park at the time, it became Navin Field in 1912, Briggs Stadium in 1938 and Tiger Stadium Jan. 1, 1961.

The playing field and stands at Tiger Stadium are considered among the finest in baseball. Facilities for players, fans, press, television and radio personnel are excellent and improved whenever possible.

More than 10,000 square yards of sod are needed annually to repair the wear and tear of both baseball and football on the playing area. Sprinkling and drainage facilities are among the best and the latest-type field cover can be placed in less than a minute.

SOME REGULATIONS

A rookie is a player not more than 45 days on a major league roster during 25-man roster cutdown dates or who has not exceeded 90 times at bat or 45 innings pitched if short of 45 days.

A batting champion must have 502 or more actual or projected appearances at the plate. A pitching champion (ERA) must pitch 162 or more innings. A fielding champion must appear in 108 games at his position.

Player limit is 40 men from Sept. 1 to opening day of following season; then 25 until Sept. 1.

To determine the "magic number" in pennant race, compute the number of games yet to be played, add one, then subtract the number of games ahead in the lost column of the standings from the closest opponent.

WHAT IS A SAVE?

A pitcher who enters game with his team leading and holds lead to completion of game is credited with a save, provided he is not winning pitcher. He must be finishing pitcher, unless removed for pinch hitter or pinch runner. If more than one pitcher qualifies, official scorer credits a save to "most effective" relief pitcher.

CLEARING THE ROOF

Between 1938, when Tiger Stadium was rebuilt on its present lines, and 1956, only one home run was hit over the roof—by Ted Williams in 1939, his rookie season. Since then, the feat has been accomplished 12 more times, including two over the left field roof.

Longest of the 11 homers over the right field stands is credited to Norm Cash, July 29, 1962, estimated at 560 feet.
